

Gospel Potluck

Saturday, July 17, 2 to 6 PM

Enjoy a time of fellowship, food, fun and great gospel music in an informal country setting.

What's Happening?	We'll be enjoying fellowship with other believers, singing and/or playing Christian music, eating great food, and having a super time praising the Lord. Volleyball and Frisbees are available for the young at heart.
Who is it for?	Everyone. Bring your neighbors and friends.
What do you bring?	Bring a salad, main dish, or desert to share and your own plates, forks, etc. Also bring your instruments (guitar, bass, tambourine, trumpet, saxophone, etc.) and music on tape or CD if you are going to sing along with a backup trax.
What do we provide?	We'll provide hot dogs, coffee, sun tea, and punch. We also have a complete professional sound system with microphones, bass guitar amp, electronic drums, a keyboard, and inputs for your electric guitar or other instruments.
Will there be a worship team?	Scott Lawson leads our worship team along with Marty Ellis on keyboards and Mike Voss on electric guitar. We expect many of you will bring your instruments so we'll enjoy some great gospel jamming! We have plenty of good CD's if people are a little timid.

Out of consideration for the hosts and other guests, pets are not allowed.
